

Club House Rules

Revised 7-1-10

Membership in the Sarasota Outboard Club entitles you to the use of all facilities of the Club at any time. Please observe the following rules while on the Club premises.

1. Please be sure all lights (except the fluorescent lights in the clubhouse, and the lights at the corner of the porch) are turned off when you leave.
2. Please make sure all trash cans have been emptied inside of the Clubhouse. Do not assume that someone else will empty the trash cans. This rule also applies to the cook shack.
3. Parents or Guardians are solely responsible for the safety and conduct of their children and their guests.
4. No Swimming in the Boat Basin or anywhere near the Launching ramp.
5. No pets allowed in the Clubhouse. This is a Health Department Rule. Pets on the grounds should be on a leash, and cleaned up after.
6. Do not enter the Clubhouse in wet bathing suits. The floor is very slippery.
7. Please do not park boat trailers and cars in the yard. Park your cars in the parking lot, leaving the driveway around the Clubhouse available for loading and unloading of boats.
8. Docking facilities are limited, so do not leave your boat at the Club for long periods. Permission for Club dockage of over three (3) days must have official approval in advance.
9. Please put smaller boats in the smaller slips, especially during the weekends and summer months. Dockage is limited; therefore your co-operation in making available docks accessible to all will be appreciated.
10. Ice is available on an honor system. Please deposit money in receptacle provided. Cost is \$2.00 per bag.
11. Overnight stays at the Club are on an honor system. Please deposit money in the receptacle provided. The cost is: \$2.00 per night dockage, \$4:00 with electricity and \$6.00 with Electric and A/C. Same donations apply to camping of tents and pop up campers. All motor homes and travel trailers are \$10.00 per night.
12. No cooking is permitted in the Clubhouse screened porch area.
13. No charter, diving or fishing operations to be done from the Club facilities.

THIS CLUB IS RUN AND MAINTAINED BY THE MEMBERS. IF YOU SEE SOMETHING THAT SHOULD BE DONE – PLEASE TAKE CARE OF IT. THE CLUB DEPENDS UPON EVERYONE’S ACTIVE SUPPORT AND COOPERATION.
