The Sarasota Outboard Club (SOC) was established in 1955. It has been at its present location on City Island since 1962. The purpose of the SOC is to preserve the interests of boat owners and to promote safe boating. The facilities include 17 boat slips in a small harbor, with a launching ramp, ample parking and a club house. Activities include monthly meetings, dinner dances, planned cruises, and two annual fund-raising functions which are open to the public. The members both maintain the facilities and put on the events. It is a working club, and ALL MEMBERS ARE REQUIRED TO HELP KEEP OUR CLUB CLEAN AND RUNNING.

Requirements: Boat ownership and you must be married.

This application should be presented to the Board of Directors at their monthly Board meeting by you and your sponsor(s). A non-refundable check in the amount of \$150.00 initiation fee must accompany this application, this is a onetime fee. Applicants must attend at least one general meeting within 2 months of submitting their application to the Board. A 60 day probation period begins after both you and your spouse have attended your first General Meeting. During the probation period you have full use of the facilities. After the 60 day probation, your application will go in front of the board for review. Upon acceptance by the Board, pro-rated dues for the year will be due and payable. Membership dues are from July 01 through June 30th and capital improvement payment is due by February 25th of the following year.
